

## Baden Baseball Club 2011 Media Guide

The Baden Baseball Club 2011 Media Guide is a printed program containing complete team rosters and photos for all of our 2011 players. In addition, the Media Guide includes letters from our head coaches and biographical information on our coaching staff.

Puget Sound Select Baseball Club is a tax exempt (non-profit) organization founded to organize and fund youth baseball. It sponsors select youth baseball teams in the Puget Sound region for ages 15-18. These teams compete at the highest level available at their age groups, developing talented athletes who may excel at the high school level and who may even go on to play college or professional ball.

In addition to developing talented athletes, youth baseball cultivates the individual player. Through a rigorous season that may span 50 or more games, including tournaments both out of town and possibly out of state, these young people work closely with coaches, parents and other athletes on healthy, wholesome pursuits. Players learn the value of dedication and hard work, of discipline and teamwork. Coaches hold players accountable to high standards of behavior and citizenship.
